Ongoing Monitoring

After an intake, we monitor all interesting Tenders for your company.

Register

We do the registration of each tender at the different Tender platforms.

Optimizing documents

We check and improve all required documents.

Quality insurance

We check and improve all asked quality guides and stories.

Legal Advice

It's very important to know the do's and don'ts about the legal tender process for taking advantage and to be successful.

Support

Our support model is structured to facilitate quick processing of user requests to expedite troubleshooting and deliver answers and solutions to clients needs. This model is based on a multi-levelled approach (remote support and on-site visit) and offers a single point of contact, delivering exceptional customer experience.

Requests for support can be submitted round-the-clock through via e-mail.

Our goal is to help customers to get the most out of their Tender journey.

Key elements:

Expertise & experience, reliability and flexibility.

We have a great experience in business process, legal advice and successful tender management.
